

## 2007 Accomplishments

- ✓ Douglas County Economic Gardening Program - The Chamber of Commerce of Highlands Ranch was the inaugural partner of this program that is expected to roll out Countywide in the coming year.
- ✓ Team HR branding - collaboratively approved the positioning and the public face of Team HR.
- ✓ Team HR Web site creation.
- ✓ Creation of operating guidelines.
- ✓ Highlands Ranch A to Z Services content development resulted in an extensive directory to help residents with information about services - from A to Z. Content was placed on the Team HR Web site.
- ✓ Senior Services staff support assigned specifically to Highlands Ranch.
- ✓ Team HR continued in its third year with a monthly forum during which shared issues and common concerns of the Highlands Ranch community are discussed with a focus on solutions. Having a consistent forum for information sharing and relationship building is among the most important accomplishments of Team Highlands Ranch.
